March 2010 – November 2010

Websites Development with PHP and Action Script
Functional testing
User and Technical Manuals Creation

Teletech

Customer Service Representative

January 2009 – March 2009

Customer service in English/Spanish for Sprint-Nextel campaign

Tech Support and Radio Solutions

Billing Service Support

LANGUAGES

Spanish – Native

English – Speak, Read, and Write. Advanced

ASPIRATIONS AND EXPECTATIONS

Following my Career Path will brand me as a very Strong Associate for a company in Quality and Processes Improvement, becoming an essential advisor, leading the company to grow and to exploit the Core potential Resources.

I'm expecting to work with people from different countries in order to know their way of work, culture and gather knowledge from their experience. This will allow me to improve my English communications skills or other language needed.
